Policy Type	Finance	Subject	Membership Fees
Approved	June 2025	Scheduled review	June 2028

1 Introduction

Healesville CoRE may charge fees for membership of the organisation. A membership fee supports the ongoing operational costs of Healesville CoRE.

2 Purpose

The purpose of this Policy is to provide transparency for Healesville CoRE members in the application and administration of membership fees and refunds.

3 Policy

A community person or business is a member of Healesville CoRE if the Central Committee has approved a membership application from that person or authorised representative of that business and the appropriate membership fee has been paid.

The Healesville CoRE membership year is from 1 July to 30 June.

The membership fee is payable on 1 July each year and the amount will be confirmed at the preceding Annual General Meeting.

A member who has paid fees is entitled to the **General rights of members** as described in section 13 of Healesville CoRE Rules of Association.

There are 3 categories of Healesville CoRE membership and the fees for each of these categories, resolved at the 2024 AGM (11/11/24), are:

- Individual membership - \$25 annual fee | \$35 for 2 years
- Business membership - \$90 annual fee
- Associate membership (age 18 or younger) - no annual fee

Online payment of fee is Healesville CoRE's preferred option.

The fee is not refundable if a person's membership ceases during a financial year, for any reason.
